

# Boosting Your Immune Health Every Day

Overview & Formulations

# Market Scenario

The global impact of covid-19 has been unprecedented and staggering, with immune health supplements witnessing a positive demand shock across all the regions amid the pandemic. The global immune health supplements market is projected to grow from **\$20.18 billion** in 2021 to **\$31.50 billion** in 2028 at a **CAGR of 6.6%** from 2021 to 2028.

Immunity care has become a vital part of today's hectic lifestyle, as consumers are increasingly concerned about their health. Today's time-saving consumers, including those following healthy, balanced diets, support nutritional supplements. Consumers across the world are feeling the need to boost their immune systems in order to avoid unpleasant outcomes of infectious diseases.

# OUR IMMUNE HEALTH FORMULATIONS

## 1. IMMUBOOST

**Designed with novel  
superfood extracts**

**Delivers  
comprehensive  
immunity support**

## 2. IMMUSHIELD

**Blends of Vitamins with  
Citrus bioflavonoids**

**Shield for the human  
body which protects  
against infections**

## 3. X-MUNE

**Blends of vitamins  
with Calcium power**

**Builds immunity,  
strengthens bones,  
and improves  
digestion**

# NUTRAGENE BIOTECH ADVANTAGE

**Nutrogene Biotech is a nutraceutical company whose main goal is to introduce cutting-edge, novel ingredients and formulations with strong clinical backing to the Indian healthcare industry.**

## **Concept to consumer model**

We help our partners right from conceptualizing to bringing the unique end product to the world of the nutraceutical market through our exclusive Concept to Consumer model (C2C).

## **Branded Ingredients**

We have wide range of branded ingredients sourced from our trustworthy international associates.

## **Speed-to-market**

Our manufacturing tie-ups & in-house expert team make it possible to scale quickly which help us to provide shorter time to market.

## **Strategic Consultation**

We provide strategic consultation for regulatory assistance, formulation development and other product launch activities.

## OUR GLOBAL PARTNERS

The United States | Japan | Italy | Belgium | Spain  
| New Zealand | Taiwan
