

# Gutzyme

## Significance of the formulation

- Enhance digestive balance by secretion of Digestive enzymes
- Unique enzyme blend that facilitates digestion & enhances nutrient absorption

## Supplement facts

- Amylase- 200 mg
- Protease- 100 mg
- Lipase- 120 mg
- Papain- 85 mg
- Cellulase- 85 mg

## Why should it be taken?

Multi-enzyme complex formula that facilitates better digestion & optimizes nutrient availability.

When digestive system is not functioning properly, it leads to nutritional deficiencies that impact entire body. Digestive enzymes aid in the digestive process by helping the body to break down food and enhance nutrient absorption through the lining of the intestines and into the bloodstream. Each type of enzyme has a distinct role in the digestion of food.
