

ImmuBoost

Significance of the formulation

- Citrus bioflavonoids with added benefit of vitamin C for providing cell defense.
- Supports Active living by promoting circulatory health and capillary strength

Supplement facts

- Citrus Bioflavonoids- 1000mg
- Vitamin C- 40 mg
- Zinc-70 mg

Why should it be taken?

Citrus Bioflavonoids optimizes blood circulation by strengthening the vein walls and improving the function of the vessels. They serve to regrow hair at a rapid rate by shortening the period of transition from the resting phase to the growing phase of the hair growth cycle

.Vitamin C stimulates neutrophil migration to the site of infection, enhances phagocytosis and oxidant generation, and microbial killing.
